GENERAL RULES & NOTES

- The 2-meter rule is not in effect.
- **OUT OF BOUNDS:** OB areas (including water) are primarily defined by a white painted line or white string/rope. Where present, white stakes serve as a visual aid for OB lines. Where fencing is used, the inside edge of the fence posts is the OB line. Where present, string on playing surface denotes the OB line, and the elevated rope serves as a visual aid. As is standard, the line itself is considered OB. (806.02)
- **OB WATER:** For any OB water that is not marked with a painted line or rope, a disc coming to rest surrounded by water is considered OB.
- Ad walls that are parallel to an OB line DO NOT serve as the OB line. The OB line will be defined by a painted line running in front of and parallel to the walls. The minimum distance between the walls and OB line is 1 meter.
- **DROP ZONES:** Optional Drop Zones (DZ) may be provided on holes for tee shots that come to rest OB. Unless otherwise specified, players may re-throw from their previous lie (tee), from where the disc was last inbounds, OR from the Drop Zone. One penalty throw is assessed no matter which option is chosen.
- **OB RULE RESTRICTIONS:** Where noted, Drop Zone use may be required after an OB throw, or a player's standard options after going OB may be restricted. PDGA rules waivers have been obtained for these holes, and are marked accordingly.
- **MANDATORIES:** Mandatory Routes are played according to PDGA Rule 804.01. An arrow will be affixed to an object defining the left or right boundary of the restricted plane by pointing to the side of the object opposite the restricted plane. The restricted plane continues away from the marked object, as indicated by an orange painted line, and continues in the same direction of the line to infinity. The restricted plane extends vertically from the painted line to infinity bounded by vertical planes on each edge of the line. If part of a thrown disc clearly enters into a restricted plane in play for the hole, the player receives one penalty throw. The lie for the next throw is the DROP ZONE for that MANDATORY, unless otherwise noted. In the case that a Drop Zone is located more than 10 m from the mandatory object, a PDGA rules waiver has been obtained.
- **RELIEF:** Players may obtain relief backward on the line of play, without penalty, from temporarily placed advertising assets, permanent sign posts, or fairway markers, per PDGA Rule 803.02 (A). As the rule states, "unless greater relief is announced by the Director" instead of only taking the closest lie that provides relief, the Tournament Director has granted up to 1m relief from the aforementioned assets/obstacles.
- **CASUAL OBSTACLES:** Per rule 803.01 (B) (1), "A casual obstacle is ... any item as designated by the Director," spectator stakes and ropes that are in-bounds have been designated as casual obstacles, and may be moved and replaced if they impede a player's stance. NOTE: Visual aid ropes used in conjunction with OB string are NOT casual obstacles.
- **CASUAL AREAS:** Players may obtain relief from unmarked casual water per PDGA

Rule 806.03. Areas marked with orange paint are designated as casual areas.

- Per PDGA waiver, players are responsible for friends or family who are spectators and who attempt to join the playing group in violation of CM 3.05.G. Players will receive courtesy violation penalties under 812.C if this occurs.
- In the event of a tie for first place after four rounds of play, a winner will be determined by sudden death playoff on holes 17 and 18 repeating until a winner is determined.
